Hey Catherine,

I thought you did a great thorough job and were indeed a team player. All good from where I stand.

Bonjour Daniel,

C'est Catherine (Cardinal3 DIT/colourist).

Hope all is very well with you.

Just as a recap for me, as I never asked you, how did you feel about working with me? Did you feel I was a good team player? Sometimes it's good to ask these questions.

It's Greek Easter which has a quality of looking at things from a different perspective.

Kind regards, à la prochaine

Catherine
