Hi Catherine~

I wanted to thank you personally, and on behalf of the New Mexico Post Alliance, for the fantastic presentation you provided at our Q3 event, "Color It", last weekend here in Albuquerque. As we talked about, the NMPA is a non-profit group focusing on educating the production and post production community in New Mexico as to the latest in technology and technique – your presentation was a perfect fit for our goals – combining science and art is one of my passions, and you two did it terrifically well. Sure we could use another few days on the subject, that is normal. Have you considered creating an online course? There may be some interest here (inquiries) etc about your talents for hire – if asked, can I pass on your contact info?

Here are some photos from the event:

I am so happy that you could come out here, see our landscape, feel the light as it is meant to be felt on the skin, and enjoy your visit like you did. You would love Santa Fe and Taos too, a crowd of relaxed, artistic folks. Great community, strong filmmaking presence here too. If you decide to come out for a longer visit you must contact me I will connect you with everyone you need to meet or talk to, plus I know all the best places to eat and visit, etc... Open invite!

That is it, a million thank you's again from all of us here in the Land of Enchantment (aka NEW Mexico).

Sincerely,

Lance Maurer
