**RE: CATHERINE PANTAZOPOULOS**

---

This is to confirm that Catherine Pantazopoulos attended da Vinci colorist classes in 1995 (8:8:8 DUI system) and in 2000 (2K system).

Furthermore Catherine keeps in regular contact with myself (Director of Training), da Vinci and other colorists and she is much respected for her talent and creativity. Catherine is also one of the select colorists I have employed as a freelance colorist instructor.

I have no reservations in recommending Catherine Pantazopoulos as a dedicated and imaginative colorist who does well wherever she practices her craft.

Yours sincerely,

Kevin Shaw, Director of Training, da Vinci Systems
