Hey Catharine

Yes you are a good team player. I've enjoyed having you out with us and always appreciated your input on looks. I'd have you back out anytime, I've tried to have you back before but you weren't avail.

It will happen!

Happy Easter!

Hey Jeremy,

Hope all is well with you.

Just as a recap for me, as I never really asked you, how did you feel about working with me? Did you feel I was a good team player?
Sometimes it's good to ask these questions.

It's Greek Easter which has a quality of making one look at things from a different perspective.

Kind regards,
